OFFICE OF THE INSPECTOR-GENERAL OF EDUCATION.

Notification D. No. dated 10th January 1918.

The Officiating Inspector-General will be glad to see Government Officers, visitors and other gentlemen on business at his office on every Thursday, not being a gazetted holiday, between the hours of 12 noon and 4 P.M.

During his absence on tour from Headquarters, the Deputy Inspector-General of Education or the Assistant to the Inspector-General of Education, will receive visitors and attend to them.

Abstract.

Attention of the past students of the Engineering Section of the Chamarajendra Technical Institute, Mysore, is invited to Notification D. No. 86, dated 8th April 1918, which appeared in the 18th April issue of the *Mysore Gazette*, regarding the amounts of arrears standing to the credit of some of the students.

Notification D. No. 90, *dated 7th May* 1918.

MEDICAL SCHOLARSHIPS.

1. Notice is hereby given that the Government of Mysore will award two Medical Scholarships during the year 1918-19.

2. The Medical Scholarships will be of the value of Rs. 25 per month and will be tenable either at the Madras Medical College, or the Grant Medical College, Bombay, for a period of five years. Applicants must have passed the B. A. Degree Examination.

3. All candidates must be natives of Mysore by birth or domicile. They should state in their application their age, caste, place of birth or domicile, father's or guardian's name and profession, the Science subject selected by them for the B.A. Examination and the class in which they passed that examination.

4. Each candidate should attach to his application a Medical certificate of physical fitness from a Medical Practitioner holding the diploma of L.M. & S. or the Degree of M.B. and B.S. or a higher degree. After a candidate has been selected for a scholarship, he will have to produce a Medical certificate of physical fitness from a District Medical Officer of the Government of Mysore.

5. The continuance of scholarships will depend on favourable reports of conduct and progress received from the Principal of the College, and on passing the periodical examinations.

6. Applications for the above scholarships should be sent to the Inspector-General of Education, before the 1st July 1918, with copies of College and other testimonials. Applications from students of Colleges should be sent through the Principals.

Notification D. No. 91, *dated 7th May* 1918.

Notice is hereby given that the Government of Mysore will award sixteen Technical Scholarships tenable for a year from the date of opening of the respective institutions under the following rules. Of these three scholarships are reserved for training in the Leather Industry and three more for training in Chemical and Pharmaceutical processes. Applications for the scholarships should be made in the prescribed form, of which printed copies may be obtained from the office of the Inspector-General of Education, and should be submitted not later than the 20th May 1918.

RULES FOR THE AWARD OF SCHOLARSHIPS FOR TECHNICAL, ARTS AND INDUSTRIES.

1. For training in the arts and industries noted below ten scholarships, each of the value of Rs. 15 to 25, will be awarded annually to selected applicants.

2. The scholarships will be tenable in the institutions named in the statement appended or other similar approved institutions.

3. They will be awarded in the first instance for one year, and be continued at the end of the first year by periods of one year at a time on the recommendation of the Head of the Institution which the scholar attends. Usually a scholarship will be tenable for a period of three years. But in the case of candidates selecting either of the subjects, *viz.*, Textile Manufacture and Technical Chemistry in the Victoria Jubilee Technical Institute, Bombay, the period of the scholarship will be four years. Not more than five scholars will be permitted to take up these subjects in any one year. In the case of apprentices in the Mysore Pharmaceuticals, Limited, Bangalore, each candidate should bind himself to under-

go training during this period subject, in case he does not complete the full course, to his refunding the whole of the amount actually drawn by him, unless he can adduce reasons to the satisfaction of Government to the contrary. Any wages earned by the apprentices from the company will be in addition to the stipend.

4. The tenure of a scholarship will be subject to the condition of satisfactory reports of progress and conduct being received from time to time from the Head of the Institution in which the scholarship is held.

5. At the end of every calendar year after the reports and recommendations of the Heads of Institutions which the scholars have attended are received, the list of scholars will be revised and all vacancies, if any, filled up by selected applicants.

6. The appended tabular statement gives the names of selected institutions, the arts and industries taught in them and other particulars. In the Arts Schools no scholarship will be given to those who learn sculpture, unless they also learn one or more industrial arts.

7. The scholarships will be granted to natives of Mysore, who are not more than 21 years old, and who possess at least the educational qualifications prescribed for admission into the institution which they wish to join, but are unable without Government help to attend it.

8. Applicants for scholarships should submit with their applications certificates from persons of known respectability showing that they are natives of Mysore by birth or domicile, their age and their educational qualifications. After the applicants are selected, they shall produce certificates of physical fitness from a Medical Officer not below the rank of a Civil Surgeon in the same form that is prescribed for admission into Government service, before scholarships are awarded to them.

MECHANICAL ENGINEERING SCHOOL, BANGALORE.

(PROSPECTUS.)

1. Instruction is imparted in Mechanical and Electrical Engineering and has been divided into two grades—higher and lower. Students who have completed their courses in sixth or higher forms taking Science or Mathematics as optional subjects are eligible for admission into the higher grade, while those of lower forms will be admitted to the lower grade.

2. The complete course covers a period of $3\frac{1}{2}$ years of which $2\frac{1}{2}$ years will be spent in the school in attending lectures and practical work in the school workshops, arrangements being made during the last year for their training in some of the large workshops, mills, etc., in and outside the State.

3. Each year the session commences on the 1st Monday in July and consists of two terms, the first ending with the Christmas holidays and the second with the close of June following. The usual hours of attendance are from 7-30 to 11-30 in the morning and 2-30 to 4-30 P.M., in winter and 7 to 11 A.M. and 2-30 to 4-30 P.M., in summer.

4. The number of students that can be admitted each session will, for the present, be 75, of whom 25 may be from outside the State.

5. No tuition fees will be levied for the regular classes from students who happen to be Mysoreans, either by birth or domicile. Others have to pay a fee of Rs. 3 per mensem along with Rs. 20 per year for the workshop practice. Students should provide themselves at their own cost, text-books, note books and the necessary drawing instruments. Workshop tools, drawing boards, T-squares and set-squares will however be provided by the school, which should be returned in good order when the student leaves the school. The students

will, however, be held responsible for all breakages, loss, etc. A security deposit of Rs. 10 will be collected from each student, returnable to him on the completion of his course after deducting all dues from him, if he is a Mysorean. In the case of an outsider, a sum of Rs. 15 will be collected, returnable to him on the same terms.

6. Students desirous of practising in one or more branches of the school workshop or of attending the theory lectures alone in any particular subject or subjects taught in the school are also admitted. A fee of Rs. 3 per month is levied from such casual students.

7. A class is also tentatively opened to train men in the mere driving of motor vehicles within a short period of three months. A small fee of Rs. 10 is charged for the course, with the proviso to extend the period in special cases, on payment of an additional fee of Rs. 5 per mensem subject, however, to a total period of six months.

8. A fee of Rs. 4 per annum is payable by each student as his subscription to the Athletic Club and the Technical Students' Association.

9. Twenty scholarships, each of the value of Rs. 8 per mensem are available to Mysoreans in regular classes. While out of Bangalore on practical training, the students may get a subsistence allowance.

10. Applications for admission to the school, which shall be in the candidate's own handwriting, must be sent to the Superintendent of the School, so as to reach him on or before the 10th June, on forms which can be had from him. The application should be accompanied by four certificates: (1) Certificate of age from the parent or guardian that the applicant is between the years 15 and 18, (2) Certificate of character from the Head Master of the School in which he was studying last or from any gazetted officer of Government, testifying to his general good behaviour while in the school, (3) Certificate of having passed at least the Mysore Lower Secondary Examination in English or other certificate of possessing that standard of qualification, and (4) Leaving Certificate.

11. A list of the selected candidates will be put up on the notice board of the school, on or before the 25th of June every year, and the selected candidates will also be informed separately.
